

GROW YOUR REAL ESTATE PHOTOGRAPHY BUSINESS

Attract more agents.
Offer more services.
Earn more revenue.

Upgrade your photography business with iGUIDE Faster. Smarter. Better.

iGUIDE is a powerful tool to help you expand your services and enhance your appeal to top agents. Its proven track record makes it easy for you to grow your business and position yourself as a sought-after partner for successful real estate professionals. With iGUIDE, you can take your services to the next level and stand out in the competitive real estate market.

Paul Maynard of Colorful Virtual Tours captured 345+ virtual tours in a single year and grew his business by 400%.

“I’ve earned more income than I’ve ever earned in my photography career.”

– Paul Maynard, Colorful Virtual Tours

It’s an all-in-one listing tool

Easy to use

Measure, document and photograph a space simultaneously. Capture detailed property information and deliver floor plans, room dimensions, square footage and more.

A fast capture solution

An average 3,000 sq ft home takes less than 15 minutes to capture and your iGUIDE is delivered in less than 24 hours*.

A turn-key tool

iGUIDE 3D virtual tours and accurate floor plans include engagement analytics on every listing, feature custom agent branding and integrate with social media and web platforms.

No monthly fees and you own your data

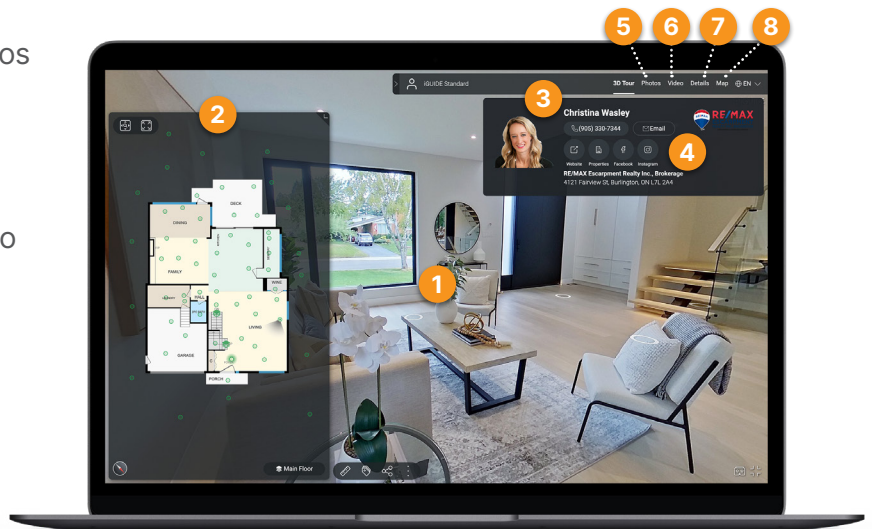

Avoid recurring fees by paying only for the processing and files you need per project. Choose to keep a digital download or host on our secure platform.

*iGUIDE delivery time is dependent on the iGUIDE package selected.

**Properties taken from Waterloo Region. Data for homes sold between September 1, 2017 and August 31, 2018.

Same data includes only existing home sales. The sample includes homes above \$150,000. Sample size is a total of 9,079 homes.

About us

Founded in 2013, in Kitchener, Ontario, Canada, Planitar Inc. is the maker of iGUIDE, a proprietary camera and software platform for capturing and delivering immersive 3D virtual walkthroughs and extensive property data.

Why iGUIDE

iGUIDE is the most efficient system to map interior spaces and features accurate floor plans, measurements and reliable property square footage. By integrating floor plans and visual data, iGUIDE provides an intuitive and practical way to digitally navigate and explore built environments.
